## A DEAD LETTER.

How the Gaming Laws are Treated in Nevada.

The APPEAL has printed two articles to-day advertising the little lotteries run by Assemblyman Thaxter and the Catholic Church, to show how dead the laws are in Nevada against games of chance. We call these lotteries because they are so defined by the Statutes.

Section 1, on an Act approved March 7th, 1873, defines a lottery as a scheme for the disposal or distribution of property by chance, whether called lottery, raffle or gift enterprise or by whatever name the same is called.

Every person employed in this is liable to be fined \$500 or imprisonment six months in the county jail.

The paper which advertises such a scheme is also liable, and the man who owns the building where the lottery takes place.

Mr. Thaxter, the Editor of the APPEAL, and the ladies who are managing the church fair would all be in jail if any one was desirous of enforcing the law.

Every young lady who has ever sold a raffle ticket is in the same boat; none of us will be in jail however for the law is a dead letter, and horses, music boxes, buggies, gold watches, sewing machines and all sorts of truck will continue to be disposed of, contrary to the Statutes, and the respectable citizens of the town will engage in it.

All the little one horse lotteries pay no license and the State derives no benefit.

The Nevada lottery proposes to pay the State \$40,000 a year, and not turn a wheel until the law on the Statute books makes the drawing legal.

There is now a lack of money in the treasury, while the Agricultural appropriation for Reno, with the appropriations for the District Fairs, artesian wells, and irrigation, hangs fire, because there is no money. With the passage of the lottery bill there will be a fund of \$40,000 to draw from. Either abolish every semblance of a game of chance in the State, or give a lottery which is willing to pay a large revenue to the State, a chance to compete with the hundreds of small fry lotteries now running in every town in Nevada.

They also wear their native costumes. This alone will be worth more than the price of admission.

## MR. THAXTER'S RAFFLE.

Now is Your Chance For an Elegant Music Box.

Instead of sending money away to New Orleans to purchase lottery tickets to line the pockets of the Rebel Brigadiers, the APPEAL advises its readers to patronize Assemblyman Thaxter's home lottery.

The editor of the APPEAL purchased a ticket yesterday and gave a dollar for it. It is numbered 62 and stands just one chance in even 75 of winning a \$49 music box which plays several delightful and popular airs. The tickets read:

No. 62.

—FROM—  
GEO. C. THAXTER.  
DRUGGIST.  
Willis Corner, Oppt. Capitol.  
Carson, Nev.

and on the reverse side:

## MUSIC BOX.

The ticket is very attractively gotten up, scalloped, and the letters are in a beautiful ultra marine blue.

The only fault we can find, when our critical eye goes over it, is, that the printing is not done at a newspaper office, but stamped with a stamp.

We had rather see the President of the Music Box Lottery Company have the company's printing done at a newspaper office, so as to give the printers a chance.

No Lottery can ever amount to much that prints its tickets with a rubber stamp.

It isn't every day that a man can get a \$49 music box for a dollar and we hope the prize will be won in Carson. The APPEAL in standing by the Music Box Lottery Co., (Limited) is governed by no selfish considerations of personal gain for the company does not even advertise in the APPEAL, but we like to see the money stay at home and for this reason, will do all in our power to call public attention to the drawing which will doubtless come off before the Legislature adjourns.

Although Mr. Thaxter objects to the idea of a State Lottery being started under the sanction of the law, and one which will pay an annual license of \$40,000 to the State, he favors the Music Box Lottery which runs in violation of the Statutes, and pays no license to the State.

There is also another fine opportunity of taking some chances.

## INDIAN UPRISING.

### Troubles in Antelope Valley.

News was received last evening that two Indians had killed two Italians near Tom Rickey's ranch in Mono county, Cal., and had been jailed. The Indians were coming in from all over the country to fight, and rescue them. Gov. Waterman has been telegraphed for troops.

### Dr. Davison's Lottery.

We almost forgot to mention Dr. Davison's Lottery. Like the Church he has it printed at a regular printing office. Here is the ticket.

No. ....

—RAFFLE FOR A—  
HORSE BUGGY & HARNESS  
[Cash Value \$150]  
150 chances - - - at - - - \$1.00

### How it Effects Real Estate.

For some weeks past John Sweeney has been negotiating to rent half of his new brick building for \$40 a month to a San Francisco party. Yesterday he received a letter saying: "I will agree to pay you \$50 a month if the lottery is ago and you lease for five years. If the lottery is beaten I don't want it at all."

—The following from the pen of Mr. L. P. Bardwell, editor of the THE MARION (Iowa) PILOT, will, we believe be of interest to many of our readers. He says: "It is with pleasure that I certify to the real merits of Chamberlain's Cough Remedy. I have used it in my family for years and have always found it most excellent, and especially for colds, croup and sore throat. It is safe and effective." For sale by G. C. Thaxter.

## THE ORPHANS' HOME.

The Board's Reasons For its Action.

In the report of the Orphan's Home Board to the Legislature, the following reasons are assigned for their action in the Williams case:

When this Board came into office two years ago, they found Mr. A. Williams and wife, Superintendent and Matron respectively, and the Board made no changes in these offices until the close of the year 1888.

The Board, after careful, conscientious study and mature consideration of the affairs and condition of the Home, deemed it advisable to make a change in the Superintendency; believing that it would be beneficial to the wards and in the interest of the State, said change to take effect Feb. 1, 1889; the management of said Home to be placed in charge of Mr. R. H. Parker of Churchill County, as Superintendent, and Mrs. Parker as Matron.

This action of the Board was taken with no intention to cause any reflection on the honesty or integrity of Mr. Williams, but for the purpose of securing a better discipline and government of the wards, and the management of the Home generally.

### The Catholic Lottery.

In another column is a large advertisement of Mr. Thaxter's Lottery and it seems only fair to also promote the welfare of the Catholic Lottery which is being run in the interests of St. Theresa's church of this city and county.

The tickets also printed in beautiful blue ink are before us. They read as follows:

No. ....

LADIES' GOLD WATCH.  
For the benefit of  
ST. THERESA'S CHURCH.  
Carson City, Nev.

Tickets - - - - - \$1.00.

To begin Feb. 13th to 19th.

We like these tickets better than the ones issued by the Music Box Lottery Company. They are printed at a regular newspaper office, the APPEAL's, and look quite attractive.

This beautiful gold watch is well worth trying for, and the money goes to help the spread of the Gospel and help save the souls of the sinners in other lands. As long as the money however does not go to other lands, we are content.

Patronize the St. Theresa's Lottery for the ladies who have it in charge will see that the drawing is on the square (not like Charlie Hammer's \$2,000 Episcopal Lottery of years ago), but on an up and up square shake for everybody.

Presbyterians, Methodists and Episcopalians (who pay one dollar) can have just as square a shake as Catholics.

There are also several other games of chance to be run at the Catholic Fair, but we have not as yet purchased tickets except in the Lady's Gold Watch.

Lots of tickets are still left and all who want to help the church ought to purchase before the entry books are closed.

### A Pleasant Resort.

Members and Attaches of the Legislature and the other Winter sojourners at the Capital, can find no pleasanter place of resort for reading the latest papers and magazines and selecting popular books than at Cagwin and Noteware's corner store—diagonally opposite the B. & E. Bank on Carson street. Here can always be found all sorts of plain and fancy stationery and general office supplies; besides an endless variety of novelties.

### Jewelry Display.

There is a glittering display of jewelry, diamonds & ladies' watches in the show window of the Riacker building. The designs are of the latest, and will be sold during holidays, at prices which can not be duplicated in the State.

The assortment embraces all kinds of the most fashionable jewelry and tableware. Call and inspect goods and prices.
